

From the Principal's Desk

Dear Students,

*"You don't have to be great to start,
but you have to start to be great."*

- Zig Ziglar

Human life is incessantly entrenched with "chances" and "choices". Every day is a chance to choose your choice for resurgence. Let us converge the right 'choice' with positive thoughts and expectations. Our new academic year is zealously waiting to unfold its wings and to hover like a phoenix. With great confidence and pleasure I welcome you to our new academic year 2020-2021. This beginning would indubitably set aside an ocean of opportunities for our students to dredge up their innate talents and intuitive skills.

Standing at the threshold of an era of new challenges and new aspirations, I feel overwhelmed and privileged to open the new doors of opportunities to our students. NCS Kochi is always in quest of uniqueness which would find a room in the galore of rich scholastic and co-scholastic activities. We leave no stone unturned to offer multitudes of opportunities to our children; it is for them to make the most of it. With our reflective and collaborative practices, we will continue to create a positive, proactive, safe and inspiring learning environment for our students. NCS community aims to keep alive the child's ingrained sense of wonder and arouse their inquisitiveness to discover the mystery of the world we live in.

Keeping a record to recollect the moments of exuberance and remarkable endeavors is vital in a student's life. The School Almanac serves as a proof to hinge on the reminiscences of school life.

Along with our myriad aims, hopes and goals, the Almanac provides a wide platform for our students, teachers and parents to unite and divulge their notions to meet our goals. It will always be a resilient medium of communication to instigate the expansion of the horizon of knowledge.

I wish my students another year of insightful experiences and achievements.

May the arrow of your choices move in the right direction.

With Warm Wishes,

Mrs Nellie Paul Varghese
